MEMBERSHIP MEETING
JANUARY 25, 2006**

MINUTES

I. Welcome and Call to Order

II. Officer Reports

III. Old Business

- **319 Grant**
Work continues on restoration plan. Should be finalized in coming months.
- **2006 Growing Greener/319 Grant**
Should we consider applying for a grant this round? Potentially for Hershey restoration project.
- **2006 buffer project**
Trevor Kuhlengel is interested in working with us on an Eagle Scout project. Would like to do a planting project. This would be a good project to get native nursery trees planted. We will need to find a good location for him.
- **2006 Speaker Series**
Opportunities to host speakers at Mt. Gretna. We can start brainstorming on potential speakers at Feb meeting.
- **Lebanon County Comprehensive Plan**
Lebanon County is updating their comprehensive plan and looking for input from conservation groups. Matt went to meeting in December at Governor Dick and briefed everyone on the meeting.

IV. Director Elections

Larry Coble, Bob Censier, Jay Book and Tim Hoover were all re-elected to the Board.

Officers were elected as follows:

Matt Royer, President
Larry Coble, Vice President
Hal Royer, Treasurer
Erin McKinne, Secretary

V. 2006 Priorities

A discussion of priorities for the coming year was held. The following ideas were provided by the membership and board:

1. Willow stakes project. Koser Road would be a good place for a project—a high density of willows available at the site. Lynch Run high bank at Hertzler Road was also discussed.
2. Fish Project: Consider doing a fish survey, replicating old study from the 1970s. Would be a great compare/contract opportunity. Educational outreach.
3. Trevor's scout project: find a site. Potential sites include Davis property, Steve Letavic. Also review list of projects from restoration plan.
4. Watershed Snapshot
5. Share restoration plan with townships; engage townships.
6. Work with CBF on stormwater management program.
7. Install watershed signs at Rail-Trail
8. Appoint a Membership Chair to increase membership recruiting
9. Art Show
10. "Pasture Walk" with food/pig roast
11. Tail Walk with pledge support
12. Gibble property walk and tree survey
